**In business since 1968 in the same location operated by original owners Boyce and Deloris Petty.**

Written up in "D" Magazine, The Dallas Morning News, and voted by the Observer "best of Dallas" as the "first place to look for cool pet supplies", and "Best fish store in Dallas". We feature a large selection of unique supplies for dogs, cats, small animals, birds, reptiles and fish. Making us SIX boutiques in one.

Some of the points of interests in store are a 1,200 gal pond with [show koi](#), a gigantic aquarium showroom with huge unique tanks over 500 gals. Over 10,000 gals of live fish managed by a highly qualified staff in both fresh and salt water departments. Free in-store water testing and consultation, and some of the best fish guarantees in the Metroplex.

Dallas' best pet grooming salon since 1968. Pets are pampered the entire time in our salon. Pets can stay all day with no extra charge. We also offer an exclusive [photo service](#) to our grooming clients for a very nominal fee.

Any type of [jeweled](#), spiked, tailored or [nylon](#) collars and other attire that you can imagine for your pets. Jewelry from pearl necklaces to tiaras, velvet, suede, and faux fur, you name it. We also have several brands of [carriers](#) for the pet on the go. We pride ourselves on our huge selection of [dog](#) and [cat](#) supplies. If they make it chances are we have it, and if not we can get it. Our assortment of Dog and cat foods is exceptional. We carry Nutro, Royal Canin, Muenster, and Science Diet. Only the best for our little pals, so come spoil yours today.

Our [freshwater fishroom](#) is not only phenomenal in size but also in assortment. We have an remarkable selection of [cichlids](#) from around the world. Our selection of [community](#), [semi-aggressive](#), and [aggressive fish](#) is hard to beat. We always have [specials](#), and our knowledge is beyond compare.

In our Saltwater Fishroom we have everything you can imagine. From your common yellow tangs and percula clowns to the hard to find scribbled angel fish. Our coral selection is also one of the best around. So stop by our saltwater section for you best underwater experience.

We also have a rather large bird and small animal section. With all of the supplies you could ever need or imagine. From handfed [conures](#) to jersey wooley bunnies we have it all.

Last but not least is our reptile section. Chameleons, geckos, anoles, snakes, monitors, [turtles](#), scorpions, tarantulas and more, plus all the supplies you can fathom. So come and see why we are the [best shop](#) in town!
